Dear Sir:

Submitted herewith is one set (one sheet, one figure) of corrected drawings for filing in the above-identified patent application.

The Examiner objected to the drawings for reasons stated in the Office Action (Paper No. 8) dated November 18, 2002. Specifically, in Figure 5, the label "related art" is deleted. The enclosed change to the drawing in red corrects these informalities. No new matter is added.

Favorable consideration of the enclosed drawings is respectfully requested.

Dated: February 5, 2003

Respectfully submitted,
